

ABE LEVEL 7 POSTGRADUATE DIPLOMA IN BUSINESS MANAGEMENT

Programme Description

ABP Postgraduate qualifications are designed to meet a range of different needs. ABP Postgraduate qualifications offer:

- maximum flexibility with shorter programmes available at the same level
- the opportunity to use a range of delivery methods
- the opportunity to certificate smaller blocks of learning which are designed to motivate learners and encourage widening participation in education and training
- preparation for specific jobs
- opportunities for learners to develop skills that support career and professional development
- programmes that can enable progression either to higher levels of study or to other courses at the same level of study
- courses that may offer preparation for specific jobs when in employment

Programme Objectives: Candidates will be able to:

The qualifications provide a strong emphasis on practical skills development alongside the development of requisite knowledge and understanding. ABP Postgraduate qualifications are particularly suitable for more mature learners who wish to follow a programme of study that is directly related to their work experience or to an aspect of employment that they wish to move into

On successful completion of an ABP Postgraduate qualification, it is possible for learners to progress into or within employment and/or continue their study in the vocational area. In many cases, learners can progress to Masters Degrees.

Learners studying for the ABP Postgraduate Diploma in Business Management will be expected to develop the following higher-level skills during the programme of study:

- systematic understanding of knowledge and a critical awareness of current problems and new insights, much of which is at the forefront of the professional area of management
